

## Health & Safety Statement of Policy

**PiPeLine Productions** is committed in all of its work to ensuring the Health & Safety and welfare of its staff, students, and anyone else that may be directly affected by PiPeLine's work.

### **Statement of General Policy**

PiPeLine Productions takes seriously its duties and responsibilities under current legislation. PiPeLine Productions will operate, as a minimum, within legal requirements and where possible, so far as is reasonably practicable, following standards of best practice including:

- Providing adequate control of health and safety from risks arising from our work;
- Consulting our employees/volunteers on matters affecting their health and safety;
- Providing and maintain safe equipment;
- Ensuring the safe handling and use of substances;
- Providing information, instruction, and supervision for employees and as far as is reasonably practical, ensuring that its staff, volunteers, users, project partners, and contractors adhere to this policy;
- Ensuring that all staff and others working with and for PiPeLine Productions are competent within the requirements of this policy to fulfil their obligations under Health & Safety, and give them adequate training;
- Preventing accidents and cases of work-related ill health;
- Maintaining safe and healthy working conditions;
- Ensuring that Health & Safety policies and procedures are implemented;
- Recording and reporting as appropriate all accidents and incidents, and taking appropriate action;
- Reviewing and revising this policy as necessary at regular intervals.

PiPeLine Productions' Health & Safety Procedure document and PiPeLine Productions' Health & Safety Guidance Notes supplement this policy. *Health & Safety is everyone's responsibility*. This Policy is to be read in conjunction with all other PiPeLine Productions Academies Policies, Procedures & Guidance Notes. This policy adopted November 2014.
